THE STAGE AND DANCERS

Just like a true Gloria Estefan & Miami Sound Machine concert, our stage is set with real instruments from our Latin Orchestra Musicians all dressed in white and props to bring you an authentic tropical Latin party experience!

Our colourful multimedia of tropical scenes and Latin fiestas draw you in even more.

The Dancers are an additional option and we highly recommend including them! They are professional couples or teams of individual Latin dancers in full costuming.

They dance onstage with us and also occasionally go out into the audience and on the dance floor for added interaction with the audience!
