BIO

STRAIGHT ON – Canada’s Premier HEART Tribute
“The Power. The Passion. The Sound of HEART – Live!”

Presented by Claudia Santiago Entertainment, **STRAIGHT ON** is a powerhouse tribute that celebrates the legendary career of sisters Ann and Nancy Wilson and their iconic band, **HEART**. Performed by 5–6 seasoned professional musicians, **STRAIGHT ON** delivers the full **HEART** experience – from the hard-rocking anthems of the '70s like “Barracuda” and “Crazy On You” to the soaring ballads of the '80s such as “Alone” and “These Dreams” – with raw energy, dynamic vocals, and authentic musicianship.

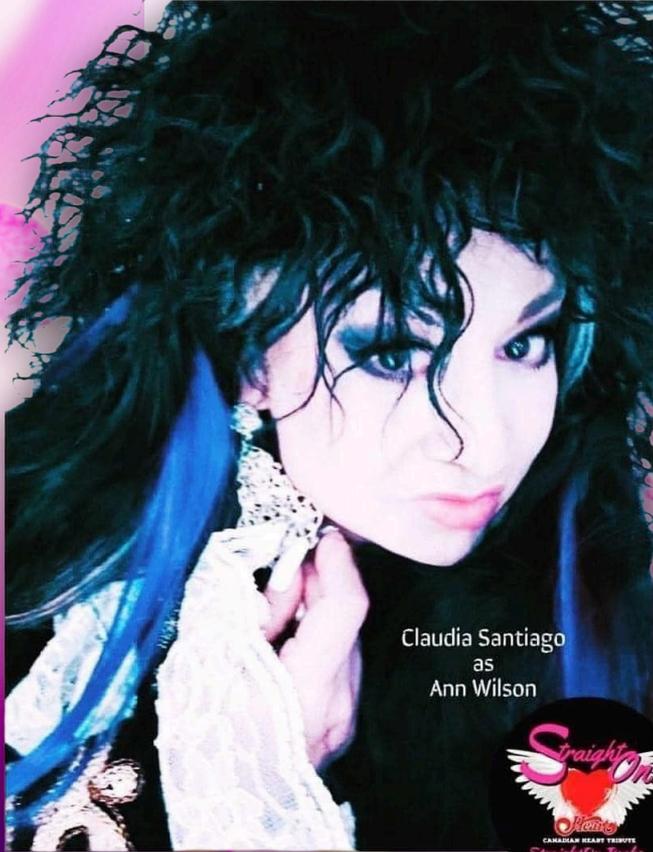

Adding to the magic, **STRAIGHT ON** brings a full-scale production complete with costuming, multimedia, props, and dynamic multi-effects lighting and stagecraft. Every performance is designed to capture not only the music, but also the atmosphere and energy of a true **HEART** concert – making for an authentic tribute experience like no other.

More than just a tribute, this band captures the spirit, passion, and fire that made **HEART** trailblazers in rock history. With a stage show packed with unforgettable hits, rich harmonies, and electric presence, **STRAIGHT ON** takes audiences on a journey through **HEART**’s legendary trajectory – from their groundbreaking beginnings to their enduring legacy.

Whether lighting up a festival stage, theatre, or special event, **STRAIGHT ON** delivers an edgy, electrifying concert that leaves fans singing, cheering, and coming back for more!
